

## Kirklington Primary School

Helping our amazing children  
**achieve** amazing things

### Results of the Parent and Pupil surveys

2018

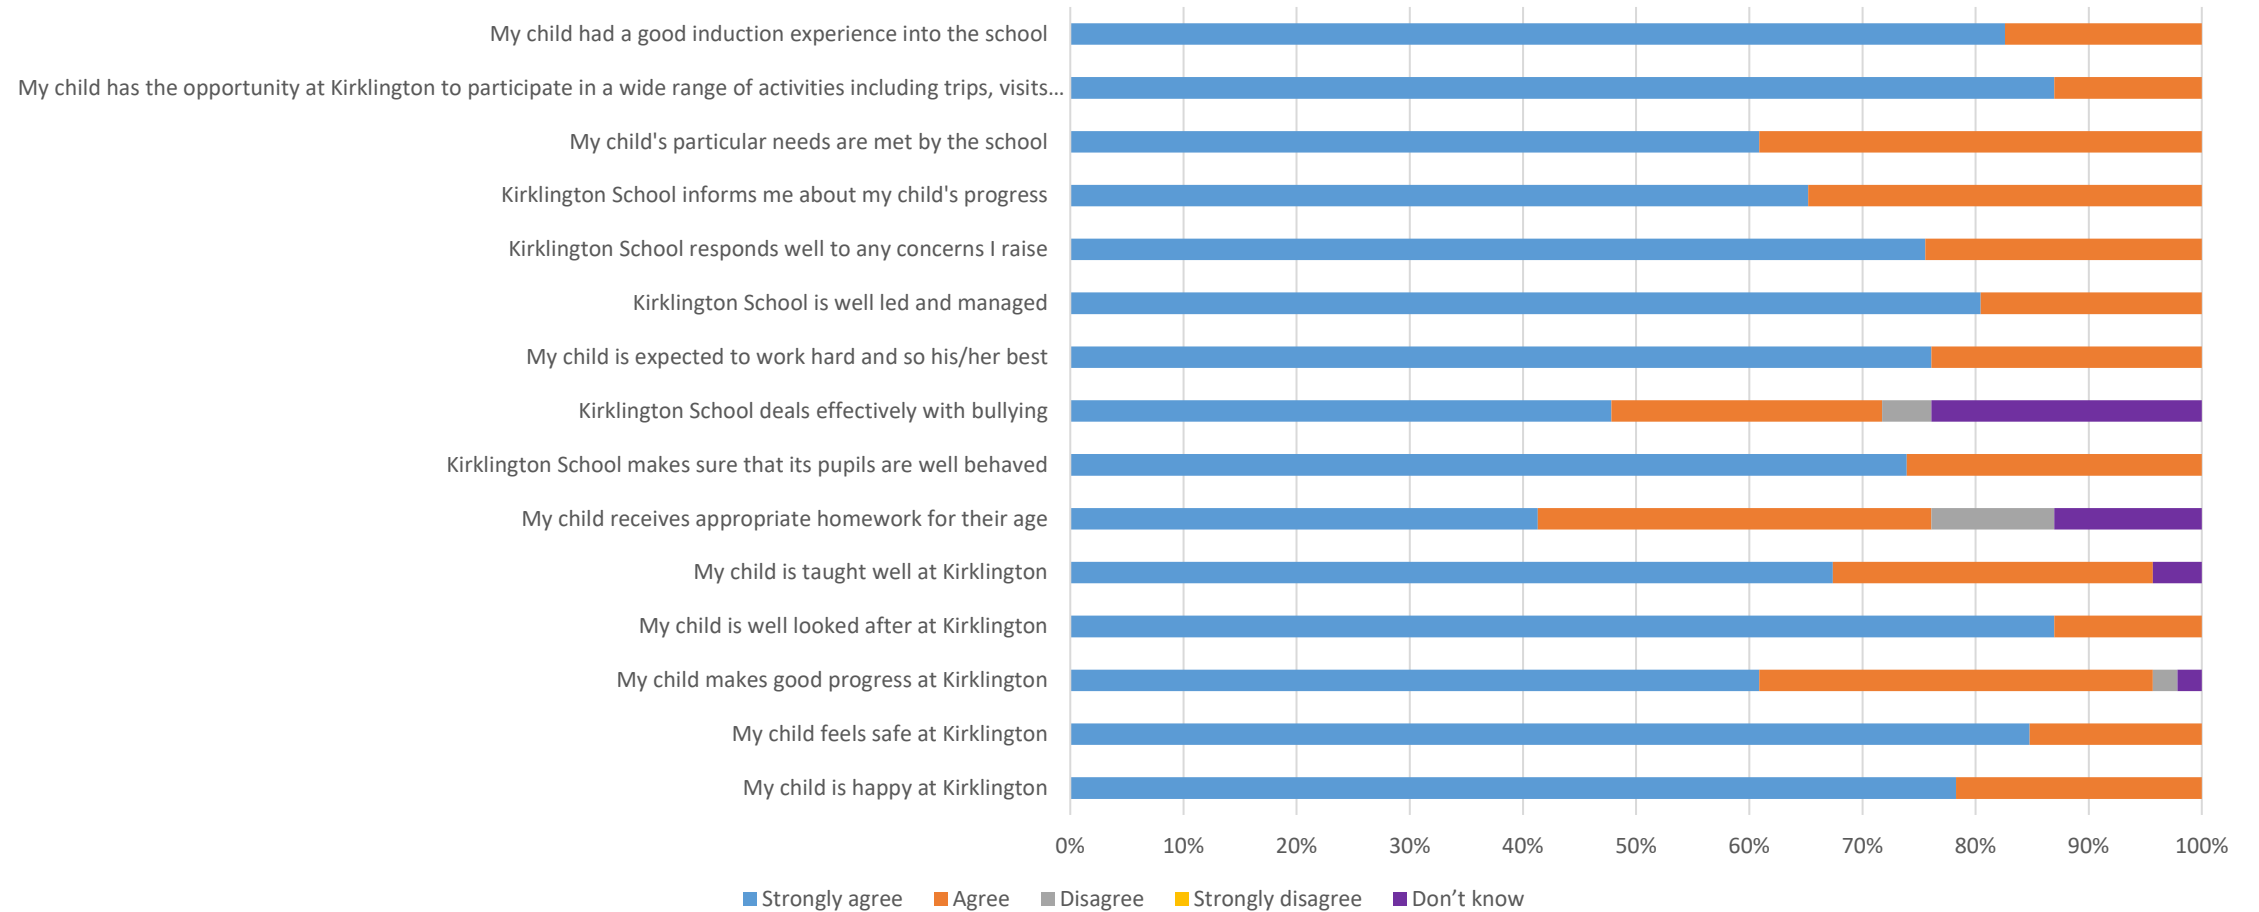

The governing body recently asked the parents and children at the school some key questions to understand their views on our school.

The results are detailed in the attached booklet.

# Parent Survey 2018

- We received 47 responses out of a possible 79 (60%)

Parent Survey 2018

# Parent Survey 2018

- 100% of parents who answered said they would recommend the school to others
- The parents said that Kirklington School would be even better if.... (not many suggestions though!!) - NB size of text represents number of replies in that area

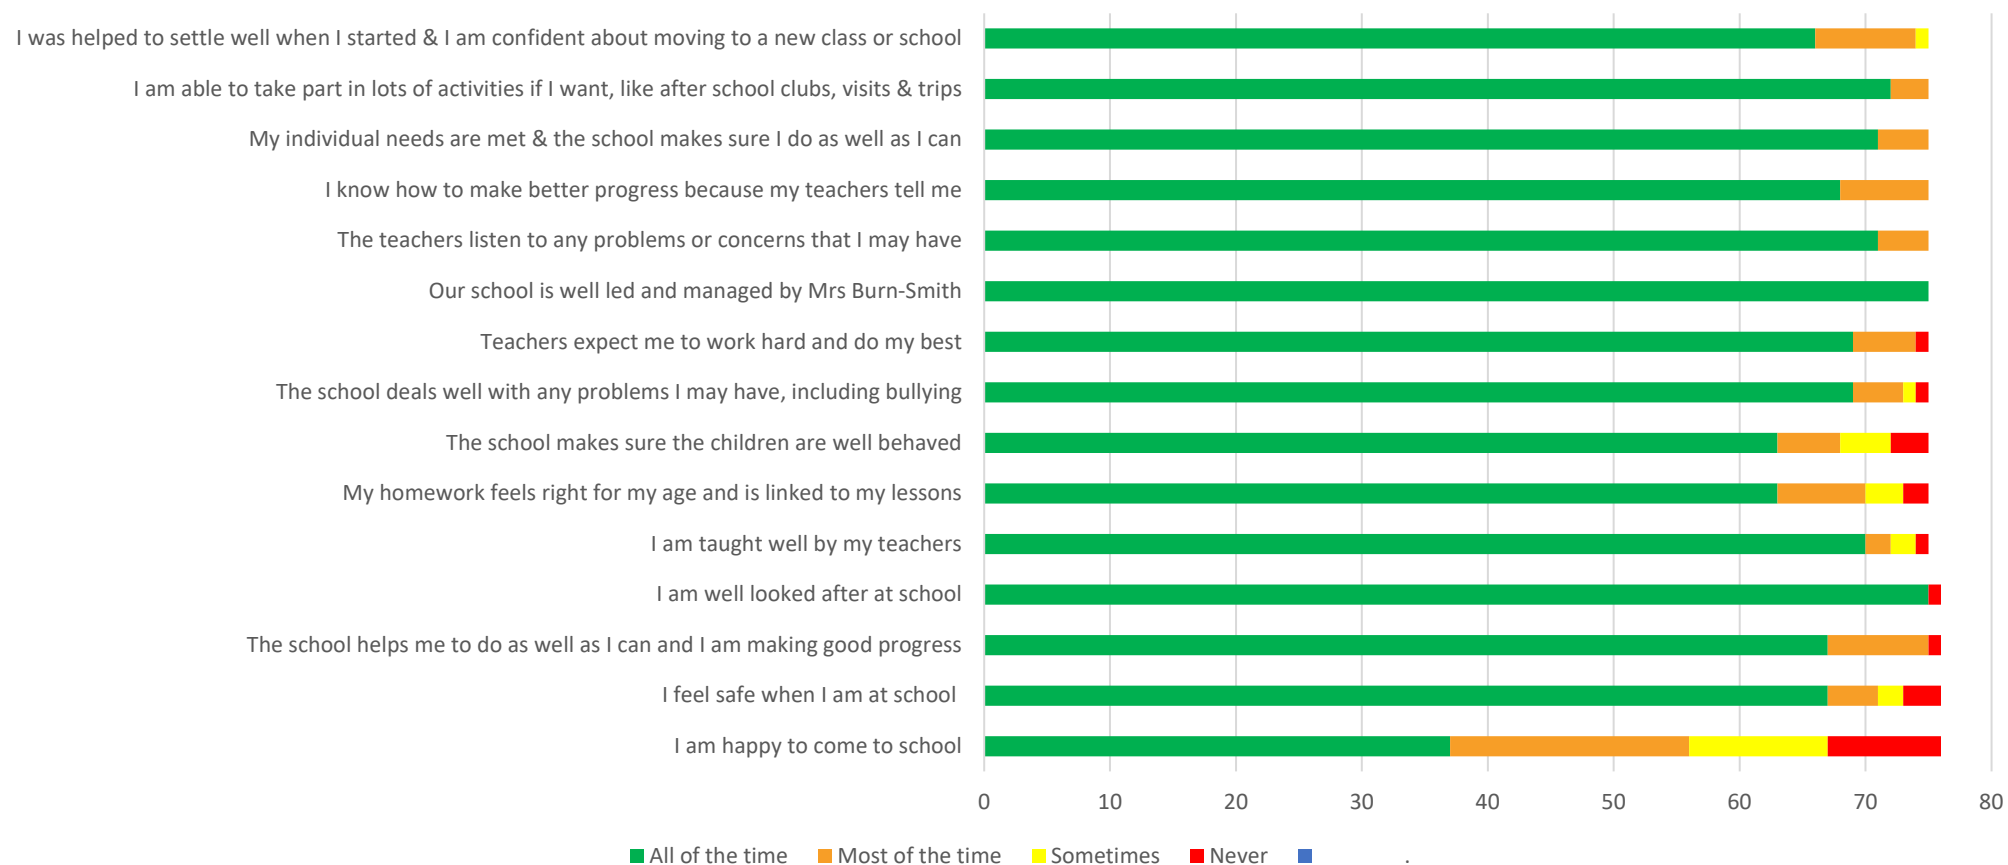

- More communication especially about how to assist progress from home

- More (and later) after school provision
- Better parking
- Less homework (and better communication and consistency on regularly setting homework)
- Less tests and more pupil praise

# Pupil Survey 2018

- We re-worded the questions asked of the parents to make them appropriate for the age ranges of our classes. The delivery of the questions was also adapted according to the age group.

Pupil survey 2018

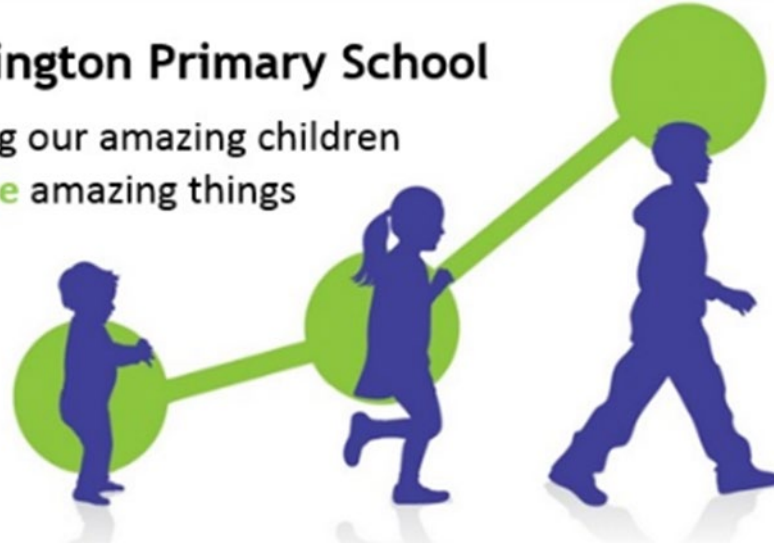

- Like 2017 the majority of parent replies show an overwhelmingly positive response about the school and all questions have significantly more positive responses than negative
- And these are mirrored by the children's responses too!
- But like 2017 there are some issues highlighted about communication, homework and parking

# Key areas raised & actions agreed

- TO BE DISCUSSED AT FGB on 24<sup>th</sup> Sep

## Kirklington Primary School

Helping our amazing children  
**achieve** amazing things

- The governing body thank the parents and pupils for taking the time to complete the survey.
- If you have any questions or issues raised from these survey results or this report please contact Marie Smith, Chair of Governors, by dropping a note in an envelope via the school office post box
